   Bachelor of science information technology (BSCIT) Present

WORK EXPERIENCE

FRESHER

SKILLS

✓ Python
✓ Django
✓ C++
✓ CSS
✓ HTML
✓ SQL

PROJECT

- Developed a dynamic website for Metallic Steel to enhance their online presence and streamline business operations. Used HTML, CSS, and Bootstrap for a responsive front-end, and Python for back-end functionality, including user authentication and database integration. The site featured a contact form, product catalog, and an admin panel for content management. Successfully deployed the website, ensuring security and performance.
